

Valuing life, helping people build meaningful lifestyles.

Behaviour Therapist Longford/Westmeath Region.

Full-time Temporary Contract (Maternity leave cover)

The successful candidate will work in close liaison with the Senior Clinical Psychologist, as part of the regional behaviour support team, to provide positive behaviour supports to children and adults with intellectual disabilities and behaviours of concern. This post will be based in Mullingar, Co. Westmeath.

Essential Requirements:

- An honours primary degree in psychology or equivalent;
- Post-graduate professional qualification in applied behaviour analysis;
- A high level of expertise in the design and delivery of systems wide positive behaviour supports;
- Relevant experience working with children and adults with intellectual disabilities and/or autism and behaviours of concern;
- Excellent interpersonal and consultation skills;
- A commitment to person centred values;
- Willingness and availability to work flexible hours in response to service demands;
- Ability to travel within the local service area, including full driving license.

Desirable Requirements:

- Experience in designing and developing individualised support arrangements for adults with exceptional needs;
- Demonstrated competencies in delivering staff training;
- An understanding of the principles of social role valorisation.
