We are seeking to recruit motivated and enthusiastic candidates to join our well established team in Laois. Our focus is to support individuals with Intellectual Disability and/or autism to live the life of their own choosing in the most ordinary way possible. The emphasis on each individual realising their own vision of a good life and being connected in an ordinary way within their own local community is paramount.

The ideal candidates will be creative, caring and driven to advocate appropriately on behalf of others, with an understanding of the importance of Person Centeredness, creating opportunities *with* people within their local communities. Successful candidates will have an allocated location within our Laois services and will be supported by a Person in charge or local manager.

Essential Requirements:

- On the live register of Nursing and Midwifery Board of Ireland (NMBI), RNID – other disciplines considered.
- An ability to demonstrate the knowledge required to support the development and implementation of individualised person centred plans which supports the realisation of the individual's vision of a good life.
- Understand the requirements regarding assessment of and appropriate responses to the health and care needs of each individual as they arise. The ability to lead and support junior colleagues in this regard.
- Understand and be committed to promoting community presence in a meaningful manner.
- An ability to demonstrate flexibility and reliability is paramount to the role.
- Willingness to work alone as required and cover a variety of rosters e.g. day shifts; overnights and weekends as required.
- Excellent communication skills.
- Commitment to work closely multidisciplinary team members.
- A knowledge of our requirements within regulation and the importance of providing a quality vision focussed service. Including requirements regulated by HIQA and a commitment to Safeguarding and Children First requirements.
- Full current driving license.
- Excellent interpersonal, organisational and IT Skills.

Desirable Requirements:

- Local knowledge and established connections within the Laois Area.
- Experience supporting people who may present with Behaviours of concern.
